

Blake Lam

Frontend Developer

I'm a curious, thoughtful problem solver who's intrigued by the interplay of design and code. I'm eager to join a talented team where I can grow in my craft while leveraging the web to build creative solutions to complex problems for the good of others.

Freelance Web Designer/Developer

Self-Employed | May 2012-Present (Full-Time July 2020)

I help business and nonprofit leaders establish, improve, and maintain their digital presence.

Director of Operations

The Avenue Community Church | July 2018-June 2020

I established foundational systems and processes to create a growing, self-sustaining organization by teaching myself principles of finance/accounting, communications, and organizational leadership.

Director of Youth Education

Creative Works | July 2017-June 2018

I spearheaded the creation of a youth education program to build a pipeline of underrepresented youth into design by designing and teaching a middle school design elective course and a high school mobile app design intensive.

Mathematics Instructor

Collegiate School of Memphis | January 2016-May 2017

Aspire Public Schools | July 2014-December 2015

I designed and implemented objective-driven curriculum and assessments to meet the needs of diverse groups of learners.

UI/UX Designer

Cstraight Media | August 2012-April 2013

I served as the team's hybrid designer/developer – working on a variety of digital and print projects for a range of non-profit and corporate clients.

Designer / Developer

JMU Technology & Design | August 2011-May 2012

I served on both the Graphic Design and Web Development teams – redesigning the department's website in my first month and leading the Web Development team during the spring semester.
